

TARIFFS

The cost of dispatching import containers arriving at Vladivostok Sea Fishing Port and cleared through customs bound for the destination stations:

Destination station	The rate, rub./ type-size of container				
	20-ft (till 24 ton)	20-ft (more than 24 ton)	40-ft. container	Security of 20-ft. container	Security of 40- ft. container
Moscow-Khovrino	73000,00	86000,00	125000,00	2800	6300
Yekaterinburg- Tovarny	77400,00	89400,00	128500,00	2000	4800
Novosibirsk- Vostochny	62700,00	77200,00	107400,00	1700	4000

The cost includes:

- storage within 14 days from the date of containers discharging from vessel;
- terminal services provided for acceptance of import container;
- container loading into flatcar;
- Vladivostok Container Terminal's agency fee;
- wagon delivery/removal;
- rail tariff as far as destination station;
- use of flatcar as far as destination station;
- issuance of GU-12 and shipping documents;
- supplying locking and sealing device;
- forwarding agent remuneration.

Additional potential costs shall be paid on the basis of actual costs (0% VAT):

Excess container storage

The cost of providing prompt service when laden container is picked up and empty container is dropped off at the port amounts to 550 Rubles per operation (including 18% VAT.) The service is provided if prompt container pickup/delivery is required.

The rate does not include the cost of discharging container from vessel, usage of Liner Carrier's containers (to be paid as per Line's tariffs) and charges for truck haulage of FESCO Integrated Transport's containers.

Additional potential costs:

Excess container storage at Vladivostok Sea Fishing Port shall be charged and paid to the Freight Forwarder at the rates (0% VAT):

From 15th to 21nd day – US\$27/38 per a laden 20ft/40ft container per day;

From 26th day - US\$61/88 per a laden 20ft/40ft container per day.

As requested by Customs Authority (exclusive of VAT):

Retrieval of container for inspection with 10% contents of the said container to be unstuffed.

- US\$ 70/100 per a 20ft/40ft of 1 container ;

Retrieval of container for inspection with 50% contents of the said container to be unstuffed.

- US\$ 135/175 per a 20ft/40ft of 1 container ;

Retrieval of container for inspection more than 50% contents of the said container to be unstuffed.

- US\$ 188/242 per a 20ft/40ft of 1 container ;

Warehouse facility services provided for X-ray examination (Mobile X-ray Unit) – US\$85 per container.

Flexible discount system is applicable to freight forwarding services provided in the ports of Vladivostok and truck haulage if any available fixed cargo flow.
